MUSICAL DIRECTIONS

Participants of the festival can show their skills in one of four nominations:

National vocal

Basis on experience of the previous generations. The national vocal has own canons and characteristic features: seclusion, chest sounding, open singing and emotionality of execution.

Variety vocal

Unites all palette of vocal art. Its main specifics are search and formation of a unique voice and unique scenic image.

Jazz vocal

It is determined by specific features of a voice and manner of performance of the vocalist. Jazz manner of performance, voice-frequency characteristics, vocal timbres, jazz phrasings and the attacks – here distinctive features of this vocal.

Rock vocal

Differs in a clear and saturated sound, lack of melizm. First of all, the rock vocal is a cry from the heart, it is a revolt voice, it is a hysterical voice of the hero, a voice of the person, who can't express to an owl of feeling differently.
